Supporting Building Battle Buddies

ABOUT BUILDING BATTLE BUDDIES

Building Battle Buddies was born from the experiences of combat veterans who witnessed firsthand the invisible wounds of military service and the life-changing impact a service dog can have on the journey toward healing. Today, they are a 501(c)(3) nonprofit dedicated to pairing combat veterans and first responders with highly trained service dogs while giving deserving rescue dogs a second chance at life.

THEIR PURPOSE

Through our unique 21-Day Fellowship, participants build an unbreakable bond with their canine partner while gaining confidence, independence, and lifelong support. Every Battle Buddy team represents hope, healing, and the promise that no hero has to walk alone.
